

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. §1.312 is respectfully requested since it does not add any new matter or require further consideration and/or search. More specifically, the amendment to independent Claim 15 merely corrects a grammatical informality by inserting the expression -- selects -- after "selecting unit" on line 20 of the claim. The grammatical informality was discovered by applicant's attorney during a post-allowance review of the claims and the applicant's attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
